

VÄNSKAPSFÖRENINGEN FÖR AFRIKANSK FILM IN COLLABORATION WITH  
FORUM FOR AFRICA STUDIES PRESENTS:

# SOMETHING NECESSARY

BY JUDY  
KIBINGE

In 2007's Kenya, Anne is struggling to rebuild her life. Post-electoral violence caused the death of her husband, the hospitalization of her son and the destruction of her farm. At the same time, in the same area, young Joseph struggles with guilt after having participated in the violence. In different ways and in different situations, they are both trying to learn how to survive having survived.
