Welcome to film screening: Sia – the Dream of the Python, by Dani Kouyaté

**Tuesday 1 March 2022,
At 18.00 (sharp)-20.30
Ihre-salen, Engelska Parken,
Thunbersgvägen 3H, Uppsala**

*The film **Sia – the Dream of the Python** (2001) is a cinematic adaptation of the legend of Wagadu (a 7th century myth of the Soninke people in present-day Mali), and a political and contemporary approach to the myth, including a reflection on the use of mysticism by power-holders. The film received several awards, and has been seen as a prime example of artistic integration in West Africa. After the screening, Film Director **Dani Kouyaté** and Prof. **Sten Hagberg** will discuss with the audience in light of history and political culture.*

Most Welcome!

Open to the Public. Free of Charge. No registration
