Witchcraft, Intimacy & Trust

Public Lecture

with

Prof. Peter Geschiere,
University of Amsterdam

Friday 10 April, 10-12,

BH/14:031, Blåsenhus

von Kraemers Allé 1, Uppsala

In Dante's *Inferno*, the lowest circle of Hell is reserved for traitors, those who betrayed their closest companions. In his recent book *Witchcraft, Intimacy, and Trust*, anthropologist Peter Geschiere sketches it as a central ember at the core of human relationships, one brutally revealed in the practice of witchcraft. Witchcraft is deeply structured by intimacy and the powers it affords. Geschiere's lecture is at once a theoretical tour de force and an empirically rich and lucid take on a difficult-to-understand spiritual practice and the private spaces throughout the world it so greatly affects.
