Love on the Move

Intimacy and mobility in Jinja (Uganda)

with

Dr. Anna Baral

Department of Cultural Anthropology, Århus University

Friday 13 March 2020, 10.15-11.00

House 7, room 0042, Engelska Parken
Thunsbergsvägen 3H, Uppsala

Jinja (eastern Uganda) attracts migrant laborers, tourists and NGO workers. People move here to follow a partner in search for fortune, they fall in love with a tourist guide during a short winter break, or get married transnationally with their Ugandan office colleague. The lecture explores how mobility affects, informs and shapes love and relationships in this lively, multicultural town.
