

*Fredagsforsk/Friday Research Seminar
Forum for Africa Studies, Uppsala University*

10:15 – 11:30

Friday April 29th, 2016

Engelska Parken, Room 2-0022 **(NOTE: CHANGED LOCATION)**

Of medicalization, mortality and postmortems: Black forensic pathology officers in the new South Africa

Speakers: Rebekah Lee, Senior Lecturer in History, Goldsmiths College, University of London, and Fellow in Residence at the Swedish Collegium for Advanced Study, Uppsala

Discussant: Beth Maina Ahlberg, Professor in International Health, Skaraborgs Institute, and Adjunct Professor, Dept. of Women and Children's Health, Uppsala University

Please join us for a presentation and discussion of this ongoing research on pathology officers in South Africa. This seminar is part of our ongoing *Health, Politics and Culture in Africa* series.

Recommended reading

A paper will be circulated to the email list one week prior to the seminar. If you would like to receive the paper and are not on the mailing list, please send an email to Afrikastudier@antro.uu.se.

The language of the seminar is English.
