Launching of the New Uppsala University's Forum for Africa Studies

on

Friday 14 April 2023, 9:00-16:00

Lecture Hall IV, Universitetshuset, Biskopsgatan 3

Since January 2023, Uppsala University's Forum for Africa Studies has a new, broader mandate to work with all faculties to increase and strengthen higher education, and research activities and collaborations in, and with Africa. The Forum will seek to facilitate, coordinate, and provide encounters for the manifold of initiatives, opportunities, and commitments underway or to be developed. The New Uppsala University's Forum for Africa Studies is part of Vice-Chancellor's Africa Initiative. The launching will offer a whole-day of inspiring presentations of the African Initiative, of the Forum, and of young scholars, followed by a round-table on how to engage and collaborate with African universities & research institutes. The day will end with a key note address on Critical African Studies.

MOST WELCOME!

The Launching is free of charge and open to the public. No registration.
