Seminar in Africa Studies

Decolonizing Research Methodologies

with

Prof. Sten Hagberg and Dr. Oulia Makkonen

Thursday 16 June, 10.15-12.00 (CET)

Engelska Parken, Thunbergsvägen 3H, room ENG3-2028

Zoom: <https://uu-se.zoom.us/j/61992174301>

In this seminar, Prof. Sten Hagberg and Dr. Oulia Makkonen will present a new research school programme entitled "Decolonizing Research Methodologies: Empirical Data Collection, Fieldwork Relations, Ethical Challenges, and Transnational Approaches". The project, funded by the Swedish Research Council (Vetenskapsrådet) 2022-2025, aims to support the creation, organization, and the implementation of an interdisciplinary research school that bring together Burkinabe, Malian, Swedish, and Tanzanian researchers and research projects in a common collaborative framework to strengthen conceptual, theoretical, methodological and practical work for decolonizing research methodologies. It focuses mainly on qualitative research and societal engagement in the humanities and social sciences, and is geared towards data collection, research relations, ethics, and transnational approaches in the organization of research and research training.
